

NICHOLAS KURTI JUNIOR RESEARCH FELLOWSHIP IN THE SCIENCES

FURTHER PARTICULARS

Brasenose College invites applications for a Nicholas Kurti Junior Research Fellowship in the Sciences. This Fellowship is open to suitably qualified post-doctoral researchers who are carrying out research in any branch of Science, Mathematics or Engineering in Oxford.

As a Fellow, you will be welcomed into the Brasenose community, and through our various events you will have the opportunity to speak to a broad range of other Fellows and lecturers in many different disciplines. The Fellowship will start on 1st October 2025 and, provided the Fellow continues to hold a salaried research post in the University, will last for three years (non-renewable).

1. Eligibility

- (i) Nicholas Kurti Junior Research Fellows are required to have a salaried research post, either in the University or in a research institute associated with the University, with a tenure of at least twelve months from the date of taking up the Fellowship.
- (ii) Confirmed funding for this initial period – 1st October 2025 to 30th September 2026 – must be in place at the time of application.
- (iii) Nicholas Kurti Junior Research Fellows are normally no more than seven years since PhD/DPhil, excluding breaks for caring responsibilities.
- (iv) This Fellowship may not be held in conjunction with a Fellowship at another Oxford College.

2. Duties

A Nicholas Kurti Junior Research Fellow is expected to be pursuing advanced scholarship or research within the University. The College wishes to support the Fellow in these endeavours but will not be employing or contracting with the Fellow directly for research. The Fellow will be encouraged to make an active contribution to College life, to become a College graduate adviser, and may be requested to assist in the selection of undergraduate and graduate students of the College. A Nicholas Kurti Junior Research Fellow may also be invited, but not required, to undertake paid teaching of up to six hours a week for Brasenose, in which case a contract of employment will be offered.

3. Medical Questionnaire

The appointment is subject to the satisfactory completion of a medical questionnaire.

4. Allowances

The appointment is non-stipendiary, but includes membership of the Senior Common Room with free meals (when the kitchens are open) and the following allowances:

- (i) An allowance for approved research expenses, which may include travel, is currently £1,123 per annum.
- (ii) Fellows' hospitality allowance (for entertaining professional colleagues) is currently £236 per annum.

5. Equal Opportunities

Brasenose College is committed to the principle of equality of opportunity in all aspects of its activities and operates an Equal Opportunities Policy. The full Equal Opportunities Policy is available on request.

6. Data Protection

All data supplied by applicants will be used only for the purposes of determining their suitability for the post, and will be held in accordance with the principles of the current data protection regulations. Brasenose College Privacy Notices and information on how Brasenose uses your data can be found [here](#).

7. Timetable for applications and appointment

The timetable for making the appointment is as follows:

- (i) The closing date for the receipt of applications and references is **Monday 24th February 2025 at 9.00am**.
- (ii) Interviews will be held (subject to confirmation): **Friday 25th April 2025**.
- (iii) The College Governing Body is likely to ratify the election to the Fellowship on **Wednesday 28th May 2025 (5th week GB Trinity Term)**.

8. Application process

Applicants are advised to check that they meet the Fellowship eligibility criteria before submitting an application.

Applications should be submitted online at <https://submit.bnc.ox.ac.uk> using the *Applications for Academic Appointments* box, by the closing date: **Monday 24th February 2025 at 9.00am**.

Applicants will be asked to complete an **online application form** and then to upload the following documents in Word (.doc, .docx) or PDF format:

- (i) A full **curriculum vitae**, to include details of their academic and general record, and publications.
- (ii) A **research outline**, not exceeding 1000 words, explaining in non-technical language, the significance of the applicant's research. Samples of research or scholarly work should not be submitted with the application, but may be requested later.

All information and documents – other than references – must be submitted at one time.

Please have the following information ready to enter on the online application form:

- Full name and contact details
- University post: title, dates and sources of confirmed funding, department
- PhD/DPhil: date awarded and awarding University
- Two academic referees: names, email and postal addresses

References: Applicants should ask their two referees to write to the Principal by the closing date of **Monday 24th February 2025 at 9.00am**. Reference letters should be uploaded at <https://submit.bnc.ox.ac.uk>, using the *References for Academic Appointments* box.
